## Elementary Grand Prix Race Series

(And other local, worthwhile, fund raising races)

The Rotary Club of Peachtree City, in cooperation with the PTC Running Club has created a series of races that provide the opportunity for both children and adults to participate in healthy events as well as raising much needed funds for our local elementary schools. Last year about \$100,000 was raised by the schools and the series of races has become one more campaign in the fight against childhood obesity

Special bonus points will be awarded based on the number of races completed. Each race will be conducted by the individual schools as fundraisers for that school only.
