

Peachtree City Running Club Grand Prix Series 2017

January 1st 2017

Where: Lou & Martha Boone's house – 108 Whitfield Run, PTC

Event: New Year's Day tradition! Guess the distance (in miles)

Description: Participants complete a pre-marked course and report back in to event coordinator on what they think the distance was.

Time: 8am

Watches/music: no

Volunteers: no

Clock needed: no

February 4th 2017 – New Member Breakfast, GP & Super Bowl Squares

Where: Ray & Teri Besch's house (address?)

Event: Closest to time

Description: Continuing our tradition of welcoming our newest members and getting to know them. Enjoy a crisp morning outing with some new friends. Participants are let loose on their own and are given a time to come back at.

Closest without going over. (Example: be back in 27 min...)

Time: 8am

Watches/music: no

Volunteers: 1-2x Volunteer(s) needed to record finish time for each participant.

Clock needed: Yes

March 11th 2017

Where: PTC Library

Event: Two + Two Closest to time

Description: This is a perfect opportunity to get a friend out for some fun!! You pick/bring your own partner or team up with someone Saturday morning. Two participants, two different directions, one start/finish. Each partner takes a different direction from the start/finish. Try to be the team that gets back to the start/finish closest to the same time! Amount of time out on the courses will be communicated by event coordinator that morning.

Time: 8am

Watches/music: no

Volunteers: 1-2x volunteer(s) needed to record finish time for each participant/team.

Clock needed: Yes

April 8nd 2017

Where: Lake Peachtree Boat Dock

Event: Pick a Point

Description: There will be 3 different points. Only one is the correct point. Participants choose which point they go to and return only after they have arrived at the correct point.

Time: 8am

Watches/music: OK

Volunteers: 1x to be staged at the correct point. Volunteer will keep track of who arrives and at what time. Then, instruct participant(s) to return back to the start.

Clock needed: No, but would be preferred if available

May 13th 2017

Where: PTC Library

Event: Consistency Run

Description: Participants attempt to run the same time out to a point and the same time back. Closest spread wins!

Time: 8am

Watches/music: no

Volunteers: 2x. One volunteer needed at turn around point to record time of participants arrival. One volunteer needed at finish to record participants completion.

Clock needed: No, but will need two stop watches.

June 3rd or 10th 2017

Where: Shakerag?

Event: FREE!!! PTCRC & PTC TRI presents the PTC Marathon Relay (PTCRC GP Prediction Run)

Description: Your submitted 10k predicted finish time will be compared against your actual Marathon Relay completion time.

Time: 7:30am

Watches/music: OK

Clock needed: Yes – will already be on site

July 8th 2017

Where: Riley Field

Event: Track Challenge

Description: Participants all start together. At random different times a whistle will be blown and participants must change directions. Participants must submit their guess of how many minutes they have ran/walked.

Time: 8am

Watches/music: no

Volunteers: 1-2x. Volunteer(s) to help monitor participants and support water station.

Clock needed: no – only volunteer(s) and event coordinator will have stop watches.

August 2017
