

Peachtree City Classic 15K

Notes:

1. Course was measured along the inside of all curves (shortest line) on all streets and cart paths.
2. Runners may use both lanes on all streets including both southbound lanes on Peachtree Parkway.
3. Runners must stay on the street and not cross the curb to the path along McIntosh Trail at the start.
4. Runners must stay on the pavement at all times both on the streets and cart paths.

Mile Locations

- 1 On Peachtree Parkway 6 feet past the fire hydrant before the entrance to the bank at Crosstown and the Parkway.
- 2 On Braelinn Road 19 feet past the fire hydrant between Monterey Drive and Augusta Drive.
- 3 On the cart path 115 feet before the bridge over the creek just before the tunnel under Braelinn Road.
- 4 On the cart path 86 feet before Summer Brooke Road.
- 5 On the cart path 429 feet past the tunnel under Crosstown Road, measured from the point where the path exiting the tunnel meets the path along Crosstown Road.
- 6 On the cart path 158 feet before the south bridge at Luther Glass Park (three ponds).
- 7 On the cart path 312 feet past the side path to Shadowood Lane.
- 8 On the cart path 329 feet past the big tunnel under Peachtree Parkway.
- 9 On the cart path next to Lake Peachtree 148 feet past the park bench dedicated to Charlene Crozier.
