

Peachtree City Rotary Club

2018-19 Elementary Grand Prix Race Series

(And other local, worthwhile, fund raising races)

The Rotary Club of Peachtree City, in cooperation with the PTC Running Club has created a series of races that provide the opportunity for both children and adults to participate in healthy events as well as raising much needed funds for our local elementary schools. Last year about \$100,000 was raised by the schools and the series of races has become one more campaign in the fight against childhood obesity
