

It's my pleasure to introduce you to the Peachtree City Running Club.

Founded in 1981, our club has grown to be one of the largest running club in the Metro Atlanta area. With over 100 miles of cart paths and running trails in Peachtree City, you are bound to run into someone you know. Our club is actively involved in promoting recreational and fitness related activities in the Peachtree City community by sponsoring infrastructure improvement projects, providing scholarships to budding athletes, and contributing to youth running programs. We have members from all walks of life, ages, and abilities. We are an active club and there is a chance to run with other members almost every day of the week. We gladly welcome walkers, plodders, shufflers, and joggers of all paces.

Throughout the year, there are numerous opportunities to run with the club or people from the club. Since the creation of the PTCRC, we've had three (3) staple group runs: the Saturday morning group run from Huddleston Elementary, and the two (2) Sunday runs starting from the Boat Docks at Lake Peachtree and the other from Huddleston Elementary. At least one Saturday a month, there is a monthly Grand Prix event. This event is a fun, "no pressure" way to get your run in and have some fun. For families, we offer the Summer Track Series at Riley Field & at least 18 Elementary School Races. New to 2022, we will be introducing the One (1) Mile Test for members 18 years or older – this is an officially timed event, with prizes for 1st, 2nd, and 3rd over-all female/male. And last but not least, our signature event – *the annual Peachtree City 5K/15K Classic*.

While we love to run, we also take the time to enjoy ourselves at social events: New Year's Day Run/Breakfast, New Members' Breakfast, Monthly meetings hosted at Line Creek Brewing Co. or Partner's Pizza, Fourth of July Peachtree Road Race, Dragon Boat Races, Peachtree City Classic Volunteer Party, and our Annual Holiday Party.

So, if you are looking for a running partner, group event, or just want to improve your overall health and fitness – come out and join us! For more information, please browse our web site, Facebook page or contact one of our executive board members.

Thanks, and see you on the trails!
